AMERICAN OCCUPATIONAL THERAPY FOUNDATION

- AOTA members (981) donate \$14,000 to AOTF, 38(7):475-478
 AOTF grant reviewers—1979-1983, 38(2):121
 A Time to Remember—A Promise for the Future, 38(11):755
 Evaluation versus research: Outcomes or knowledge? EJ Yerxa, 38(6):407-408
 Initiating occupational therapy clinical research, CM Baum, MA Boyle, DF Edwards, 38(4):267-269
 The institutionalization of occupational therapy research, MS Moersch, 38(12):820-821
 Welcome: 1984 new board directors, 38(10):687
 Why study human occupation?, JC Rogers, 38(1):47-49

BOOK REVIEWS

- Accent on Living: Buyer's Guide, B Garee, Editor, 38(10):689
 The Acting-Out Elderly, MK Aronson, R Bennet, B Gurland, Editors, 38(1):51
 Action Speaks Louder/A Handbook of Nonverbal Group Techniques, AJ Remocker, ET Storch, 38(4):274
 Activities and the "Well Elderly," PM Foster, Editor, 38(4):271-272
 Administrator's Handbook: For Community Health and Home Care Services, CW Fish, 38(11):756-757
 An Adult Has Aphasia, DR Boone, 38(8):549
 Aging and the Environment: Theoretical Approaches, MP Lawton, PG Windley, TO Byerts, Editors, 38(4):270-271
 Aging, A New Look, A Robbin, 38(2):122-123
 Aging, Politics, and Research: Setting the Federal Agenda for Research on Aging, BA Lockett, 38(8):548
 Brunnstrom's Clinical Kinesiology, LD Lehmkuhl, LK Smith, Editors, 38(3):201
 The Changing Role of Rehabilitative Medicine in the Management of the Psychiatric Patient, WE Kelly, Editor, 38(1):54-55
 Circulatory Physiology—The Essentials, JJ Smith, JP Kampine, 38(10):688-689
 Communicating with Aphasic Adults: A Guide for Families and Caregivers, TL Hintgen, PB Mueller, 38(6):413
 Communicating with Mentally Retarded Persons: Asking Questions and Getting Answers, CK Sigelman, C Schoenrock, E Budd, J Winer, C Spanhel, P Martin, S Hromas, G Bensberg, 38(4):274-275
 Concepts of Occupational Therapy, K Reed, SR Sanderson, 38(1):54
 Curative Aspects of Mental Retardation, FJ Menolascino, R Neman, JA Stark, Editors, 38(4):272
 DRG Update: Medicare's Prospective Payment Plan, PL Grimaldi, JA Micheletti, 38(6):410
 Detection of Developmental Problems in Children (Birth to Adolescence), MJ Krajicek, 38(1):52-53
 Disability, Work and Social Policy, Models for Social Welfare, A Coudroglou, DL Poole, 38(8):550
 Exceptional Games for Exceptional People, RR Taylor, 38(2):123
 Free Yourself from Neck Pain and Headache, D Fardon, 38(3):203
 Health Through Occupation: Theory and Practice in Occupational Therapy, G Kielhofner, Editor, 38(4):272-273
 A Healthy Old Age: A Sourcebook for Health Promotion with Older Adults, S Fallcreek, MK Mettler, Editors, 38(11):757-758
 Home Healthcare, AD Spiegel, 38(11):756
 How to Write and Publish a Scientific Paper, RA Day, 38(8):547
 Indiana Home Teaching System, A Beversdorf, 38(2):123
 Infants and Parents, Clinical Case Reports, S Provence, Editor, 38(6):411-412
 In-Home Respite Care Program Development, JD Parham, T Hart, T Terraciano, P Newton, Editors, 38(11):757
 Irresistible Communication, Creative Skills for the Health Professional, M King, L Novik, C Citrenbaum, 38(3):204
 Lifestyle Counseling for Adjustment to Disability, WR Rule, Editor, 38(10):690
 Manual of Burn Care, J Nicosia, J Petro, 38(10):688

- Maximizing Your Health, D Frankel, R Buxbaum, Editors, 38(11):758
 Medical Terminology: A Systems Approach, BA Gyls, ME Wedding, 38(1):51-52
 Models of Practice in Occupational Therapy, KL Reed, 38(7):479-480
 Myofascial Pain and Dysfunction: The Trigger Point Manual, JG Travell, DG Simons, 38(2):122
 Occupational Therapy in Long-Term Psychiatry, M Willson, 38(8):550-551
 Occupational Therapy in the Treatment of Adult Hemiplegia, O Eggers, 38(3):204
 Parachute Movement Activities—A Complete Parachute Movement Program for Elementary Grades and Beyond, R French, M Horvat, 38(3):203
 Planning and Operating Group Homes for the Handicapped, GS Youngblood, GJ Bensberg, 38(3):201-202
 Positioning the Handicapped Child for Function, A Guide to Evaluate and Prescribe Equipment for the Child with Central Nervous System Dysfunction, DE Ward, 38(1):53-54
 Preventing Adolescent Alienation, LE Arnold, Editor, 38(1):53
 Public School Integration of Severely Handicapped Students, N Certo, N Haring, R York, Editors, 38(8):549-550
 Reasonable Accommodation Handbook, F Bowe, 38(4):275
 Rehabilitation in the Elderly, TF Williams, Editor, 38(6):410-411
 Rehabilitation of the Head Injured Adult, M Rosenthal, ER Griffith, MR Bond, JD Miller, Editors, 38(4):270
 Rehabilitation Psychology: A Comprehensive Textbook, DW Krueger, Editor, 38(6):413-414
 Rural Community Mental Health Practice, JS Wodarski, 38(10):690-691
 Sensory Integration: Rationale and Treatment Activities for Groups, LL Vander Roest, ST Clements, 38(10):691
 Services for Developmentally Disabled Adults: Development, Implementation, and Evaluation, RL Schalock, 38(6):412-413
 Social Stress and the Family: Advances and Developments in Family Stress Theory and Research, HI McCubbin, MB Sussman, JM Patterson, Editors, 38(8):547-548
 Sourcebook of Aid for the Mentally and Physically Handicapped, J Norback, Editor, 38(1):54
 Spinal Cord Injury: An Illustrated Guide for Health Care Professionals, M Hanak, A Scott, 38(7):479
 Strategies for Needs Assessment in Prevention, A Zautra, K Bachrach, R Hess, 38(6):412
 Teaching Eating Skills, A Handbook for Teachers, SB Stainback, HA Healy, 38(4):273
 Theories of Career Development, SH Osipow, 38(8):549
 The Young Adult Chronic Patient, collected articles from Hospital & Community Psychiatry Service of the American Psychiatric Association, 38(3):202-203

BRIEF OR NEW

- Egress during fire—Wheelchair exiting in an emergency, C Schroeder, P Benedict, 38(8):541-542
 Magnetic splint for object retrieval, LA Mildenberger, 38(3):195-197
 Measuring cone for thumb abduction/extension, C Schwanholt, PJ Stern, 38(4):263-264
 The use of self-adherent wrap in hand rehabilitation, L Enos, R Lane, BA MacDougall, 38(4):265-266

CONFERENCE

- 1984 conference registration information, 38(2):74-75
 Conference—Atlanta: Timeless Southern charm in a beautiful, modern city, 38(12):826-827
 Kansas City will surprise you . . . , 38(3):206-207

CORRECTIONS

- The essentials of an approved educational program for the occupational therapy assistant, 38(6):415
 Recovery trends of functional skills in the head-injured adult, LB Panikoff, 38(2):124

EDITORIALS

- A decade, 38(2):79
Home health care as a theme, 38(11):713
Reimbursement as a theme, 38(5):293
Thanks, kind colleagues, 38(1):8

LETTERS TO THE EDITOR

- Applause for reimbursement issue, J Coulson, R Kerrick, E Simek, KL Cook, 38(8):545-546
Appreciates August articles, M Hanson, 38(11):754
Appreciates professional partnership paper, M Carlson, 38(11):754
Author's response, MS Gray, 38(1):50
Cherishes cultural individuality, PV Ponce, 38(1):50
Students appreciated, S Zander, 38(8):546
A response to "scholarship for sale," RK Bing, 38(11):754
For use of "patient," A Price, 38(8):545

IN MEMORIAM

- PS Amphlett, MM Beattie, J Daily, VL Fritts, AS Hellmers, NJ Keiser, DM Johnson, I McWold, E Pearsall, CJ Prescott, H Price, JM Turner, KA Welsh, 38(6):415

THE ISSUE IS

- Academic credentials versus academic commercialism: Scholarship for sale, K Ottenbacher, J Van Deusen, P Peterson, 38(7):474
An attempt to define purposeful activity, E Breines, 38(8):543-544
Balancing objectives of efficient and effective occupational therapy practice, KB Schwartz, 38(3):198-200
The importance of the client versus patient issue for occupational therapy, M Reilly, 38(6):404-406

Subject Index

A

ACTIVITIES OF DAILY LIVING

- Construct validation of occupational therapy measures used in CVA evaluation: A beginning, 38(2):101-106
Construct validation of the St. Marys CVA evaluation: Perceptual measures, 38(3):184-186
Denial: Implications of a pilot study on activity level related to sexual competence in burned adults, 38(8):529-534
Developmental coaching of the Down Syndrome infant, 38(7):440-445
Eliminating barriers to the disabled, 38(11):748-753

ACTIVITY ANALYSIS

- Choice making in group and individual activity, 38(4):245-251
Effects of selected activities on affective meaning in psychiatric patients, 38(8):522-528
Electromyographic study of the upper extremity during bilateral sanding: Unresisted and resisted conditions, 38(4):258-262

ACTIVITY GROUPS

- Choice making in group and individual activity, 38(4):245-251

ADAPTATION

- Developmental coaching of the Down Syndrome infant, 38(7):440-445

ADAPTATION, PSYCHOLOGICAL

- Denial: Implications of a pilot study on activity level related to sexual competence in burned adults, 38(8):529-534

ADOLESCENCE

- The use of aquatics with cerebral palsied adolescents, 38(7):469-473

AFFECT

- Effects of selected activities on affective meaning in psychiatric patients, 38(8):522-528

AMERICAN OCCUPATIONAL THERAPY ASSOCIATION

Business reports

- AOTA annual business meeting minutes—1984, 38(12):816-819
AOTA representative assembly minutes summary, 38(12):812-815

Educational programs

- Listing of educational programs in occupational therapy, 1984-1985, 38(12):805-811

Guidelines, policies, positions

- Hierarchy of competencies relating to the use of standardized instruments and evaluation techniques by occupational therapists, 38(12):803-804

- Principles of occupational therapy ethics, 38(12):799-802

Nationally speaking

- Annual conference: Opportunity for renewal and growth, 38(1):11-13

- A perspective on occupational therapy education, 38(10):643-645

- From continuing education to continuing professional education: The shift to lifelong learning in occupational therapy, 38(8):503-504

- Living forward, understanding backwards, part I, 38(6):363-366

- Living forward, understanding backwards, part II, 38(7):435-439

- Occupational therapy and home health care, 38(11):715-716

- Professional enhancement projects, 38(9):573-574

- Status report on reimbursement for occupational therapy services, 38(5):295-298

- To survive, to become: Our way of life (presidential address), 38(12):785-790

- Whither thou goest? Report of the AOTA task force on OT/PT issues, 38(2):81-84

President's address

- Nationally speaking—To survive, to become: Our way of life, 38(12):785-790

Slagle lecture

- Eleanor Clarke Slagle lectureship, 1984: Transformation of a profession, 38(9):575-584

AOTA, TASK FORCE ON OT/PT ISSUES

- Whither thou goest? Report of the AOTA task force on OT/PT issues, 38(2):81-84

ARCHITECTURAL BARRIERS

- Egress during fire—Wheelchair exiting in an emergency, 38(8):541-542

- Eliminating barriers to the disabled, 38(11):748-753

ASSESSMENT

- Defining a child's zone of proximal development: Evaluation process for treatment planning, 38(7):446-451

- Functional test for the hemiparetic upper extremity, 38(3):159-164

- A review of the Amiel-Tison neurologic evaluation of the newborn and infant, 38(9):585-593

ASSESSMENT, EATING

- Chewing cycles in 4- and 5-year-old normal children: An index of eating efficacy, 38(3):171-175

- Chewing cycles in 4- and 5-year-old Down's syndrome children: A comparison of eating efficacy with normals, 38(10):666-670

- Tongue movements in normal preschool children during eating, 38(2):87-93

- Tongue Movements in 4- and 5-year-old Down's syndrome children during eating: A comparison with normal children, 38(10):660-665

ASSESSMENT, HAND FUNCTION

- Grasp and pinch strength in children 5 to 12 years old, 38(2):107-113

C

CAREER EDUCATION

- The liberal arts connection, 38(4):237-244

CATASTROPHIC ILLNESS

Therapy

- Occupational therapy in hospice care, 38(4):252-257

CEREBRAL PALSY

- A review of therapeutic intervention research on gross and fine

motor progress in young children with cerebral palsy, 38(7):462-468

The Use of Aquatics with Cerebrally Palsied Adolescents, 38(7):469-473

CERTIFICATION

Initial profile of therapists seeking certification in sensory integrative testing, 38(1):44-45

CHILD DEVELOPMENT

Defining a child's zone of proximal development: Evaluation process for treatment planning, 38(7):446-451

Standardization of the prone extension postural test on children ages 4 through 8, 38(3):187-194

CHILD DEVELOPMENT DISORDERS, THERAPY

Parents and therapists in a professional partnership, 38(7):452-461

Play techniques with neurologically impaired preschoolers, 38(9):603-612

Therapeutic programming for students with severe handicaps, 38(9):594-602

CULTURAL CHARACTERISTICS

The cultural aspects of home care delivery, 38(11):734-738

COMMUNICATION AIDS FOR HANDICAPPED

Telephone call aid for problems of visual sequencing, 38(1):40-43

COMPETENCE

Occupational therapists: Personality and job performance, 38(8):517-521

D

DEFENSE MECHANISM

Denial: Implications of a pilot study on activity level related to sexual competence in burned adults, 38(8):529-532

DELIVERY OF HEALTH CARE

Allied health team management of rheumatoid arthritis patients, 38(9):613-620

The cultural aspects of home care delivery, 38(11):734-738

Home health care and the elderly in the 1980s, 38(11):717-720

Occupational therapy in a Medicare-approved home health agency, 38(11):721-725

Preferred provider organizations, 38(5):327-329

Balancing objectives of efficient and effective occupational therapy practice, 38(3):198-200

Economics

Funding health services for children, 38(5):313-319

The Medicare prospective payment system, 38(5):330-334

Reimbursement in private practice, 38(5):299-306

DEMOGRAPHY

Initial profile of therapists seeking certification in sensory integrative testing, 38(1):44-45

DIAGNOSIS

Defining a child's zone of proximal development: Evaluation process for treatment planning, 38(7):446-451

A review of the Amiel-Tison neurologic evaluation of the newborn and infant, 38(9):585-593

DOCUMENTATION

Medicare reimbursement in home care, 38(11):739-742

E

EDUCATION

Continuing

From continuing education to continuing professional education: The shift to lifelong learning in occupational therapy, 38(8):503-504

Occupational Therapy

Academic credentials versus academic commercialism: Scholarship for sale, 38(7):474

An approach to supervision of students on fieldwork, 38(6):393-397

From continuing education to continuing professional education: The shift to lifelong learning in occupational therapy, 38(8):503-504

The influence of curriculum format on learning preference and learning style, 38(10):683-686

Nationally speaking—A perspective on occupational therapy education, 38(10):643-645

Understanding theory: The first step in learning about research, 38(10):677-682

Graduate

Academic credentials versus academic commercialism: Scholarship for sale, 38(7):474

ELECTROMYOGRAPHY

Electromyographic study of the upper extremity during bilateral sanding: Unresisted and resisted conditions, 38(4):258-262

EQUIPMENT DESIGN

Technology and occupational therapy in the rehabilitation of the bedridden quadriplegic, 38(11):743-747

Communication

Telephone call aid for problems of visual sequencing, 38(1):40-43

Measurement

Measuring cone for thumb abduction/extension, 38(4):263-264

Reaching

Magnetic splint for object retrieval, 38(3):195-197

Splints

Splint modification for flexor tendon repairs, 38(6):398-403

Magnetic splint for object retrieval, 38(3):195-197

F

FIELDWORK EXPERIENCE

An approach to supervision of students on fieldwork, 38(6):393-397

FINANCING, ORGANIZED

Legislation and Jurisprudence

Payment of occupational therapy by legislative mandate, 38(5):320-326

Funding health services for children, 38(5):313-319

Medicare reimbursement in home care, 38(11):739-742

G

GERIATRICS

The effectiveness of sensory stimulation for geropsychiatric inpatients, 38(8):505-509

Home health care and the elderly in the 1980s, 38(11):717-720

GOLGI TENDON ORGAN

Physiology

The Golgi tendon organ: A review and update, 38(4):227-236

H

HANDICAPPED, PHYSICALLY

Egress during fire—Wheelchair exiting in an emergency, 38(8):541-542

Parents and therapists in a professional partnership, 38(7):452-461

An independent living skills training program, 38(10):671-676

Therapeutic programming for students with severe handicaps, 38(9):594-602

The use of aquatics with cerebrally palsied adolescents, 38(7):469-473

HAND INJURIES

Therapy

Splint modification for flexor tendon repairs, 38(6):398-403

The use of self-adherent wrap in hand rehabilitation, 38(4):265-266

HEMIPLEGIA

Diagnosis

A comparative study on the presence of the asymmetrical tonic neck reflex in adult hemiplegia, 38(6):386-392

Functional test for the hemiparetic upper extremity, 38(3):159-164

HISTORY, OCCUPATIONAL THERAPY

Living forward, understanding backwards, part I, 38(6):363-366

Living forward, understanding backwards, part II, 38(7):435-439

HOSPICE

Occupational therapy in hospice care, 38(4):252-257

HOME CARE SERVICES

Administrative and professional issues for the occupational therapist in home health care, 38(11):726-733

Home health care and the elderly in the 1980s, 38(11):717-720

Medicare reimbursement in home care, 38(11):739-742

Nationally speaking—Occupational therapy and home health care, 38(11):783-788

Technology and occupational therapy in the rehabilitation of the bedridden quadriplegic, 38(11):743-747

HUMAN OCCUPATION

The cultural aspects of home care delivery, 38(11):734-738
Occupational therapy: A focus for roles in practice, 38(1):24-28
A reaffirmed philosophy and practice of occupational therapy for the 1980s, 38(1):15-23
Why study human occupation? 38(1):47-49

L

LATERALITY

Crossing the body midline in learning-disabled and normal children, 38(1):35-39
Dichotic listening performance in normal children and adults, 38(3):176-183
Differential laterality of hand function in right-handed and left-handed boys, 38(2):114-120
Hand strength and prone extension in right-dominant, 6 to 9 year olds, 38(6):367-376

LEARNING DISORDERS

Diagnosis

Crossing the body midline in learning-disabled and normal children, 38(1):35-39
A review of the Amiel-Tison neurologic evaluation of the newborn and infant, 38(9):585-593

M

MANUAL STRENGTH

Construct validation of occupational therapy measures used in CVA evaluation: A beginning, 38(2):101-106
Hand strength and prone extension in right-dominant, 6 to 9 year olds, 38(6):367-376

MANUAL STRENGTH, GRIP

Grasp and pinch strength in children 5 to 12 years old, 38(2):107-113

MEDICARE

Medicare: A summary of coverage for occupational therapy services, reimbursement guidelines, and covered durable medical equipment, 38(5):335-340
The Medicare prospective payment system, 38(5):330-334

MENTAL DISORDERS

Effects of selected activities on affective meaning in psychiatric patients, 38(8):522-528

MENTAL HEALTH SERVICES

Crisis intervention: The nuclear task approach, 38(6):382-385

MENTAL RETARDATION

Chewing cycles in 4- and 5-year-old Down's syndrome children: A comparison of eating efficacy with normals, 38(10):666-670
Developmental coaching of the Down syndrome infant, 38(7):440-445
Reducing the self-stimulatory behavior of a profoundly retarded female through sensory awareness training, 38(8):510-516
Tongue movements in 4- and 5-year-old Down's syndrome children during eating: A comparison with normal children, 38(10):660-665

MODELS, THEORETICAL

Eleanor Clarke Slagle lectureship, 1984: Transformation of a profession, 38(9):575-584

MOTOR SKILLS

A review of therapeutic intervention research on gross and fine motor progress in young children with cerebral palsy, 38(7):462-468

N

NERVOUS SYSTEM

Physiology

The Golgi tendon organ: A review and update, 38(4):227-236

NEUROANATOMY

The Golgi tendon organ: A review and update, 38(4):227-236

NOMENCLATURE

The issue is—An attempt to define purposeful activity, 38(8):543-544
The importance of the client versus patient issue for occupational therapy, 38(6):404-406

NURSING HOMES

The effectiveness of sensory stimulation for geropsychiatric inpatients, 38(8):505-509

O

OCCUPATIONAL BEHAVIOR

Examining the reliability and validity of the play history, 38(2):94-100

Occupational therapy: A focus for roles in practice, 38(1):24-28

VALUES

Eleanor Clarke Slagle lectureship, 1984: Transformation of a profession, 39(9):575-584

NOW ON SALE

A Manual for the Congenital Unilateral Below-Elbow Child Amputee

Rhoda Weiss-Lambrou, M.Sc., O.T.(C), Associate Professor, School of Rehabilitation, University of Montreal. A thorough guide for therapists responsible for evaluating and training children with a congenital below-elbow amputation. Contains numerous photos, illustrations, and descriptions of adaptive equipment. Clearly written, the manual also is useful reading for parents of children with this type of congenital malformation. 104 pp. (1981)

\$10.00, member; \$13.00, nonmember
